

## LATEST PUBLIC NOTICE

**Board of Higher Secondary Open Education Delhi** is an Autonomous purely Private Non-Formal Open & Flexible Education Organization mainly for drop-outs. **It was legally established and created by getting it registered with the Govt. of Delhi through Indian Trusts Act, 1882 (Registration No. 3553, BOOK NO. 4, VOLUME NO. 1570) in the year 2011.** This is purely a **Non-Governmental Organization (NGO)** motivated by its mission to create a better world through Education. It is a **Non- Govt. funding and Non-Govt. affiliated purely private autonomous organization.** Its status and utility of its courses have been sufficiently explained and delineated through its Prospectus, Admission Form, Declaration Form which have been always readily available on its websites i.e. [www.bhsoe.com](http://www.bhsoe.com) & [www.bhsoe.in](http://www.bhsoe.in). **This is not equivalent to any Central Govt. or State Govt. Board** which are very categorically stated in its Prospectus, Admission Form and Declaration Form from its very inception. Now it is up to different organizations to decide whether to accept or deny the certificate for employment purpose as per their norms and regulations.

**The organization presently is no more in operation.** It has been closed and wound-up through legal Resolutions taken by the members of the Governing Body dated on 20.01.2019. The Trust keeps its website only for verification purpose for the few students who passed out from this organization.

Any Govt. registered Society or Trust can offer education for which the organization was primarily and solely created and established for. All the relevant information like organization's status, the utility of its offered programmes should be sufficiently explained and delineated through its Prospectus, Admission Form, Declaration Form and through its website so that all stake-holders and students can take decision as per their personal, aspirational, professional, employment-related and educational requirements. **Board of Higher Secondary Open Education Delhi** has maintained this honesty and integrity in this regard.

**Activities of the private education boards are not barred or banned by the Law of the Land.** The few such organizations which are running successfully till date are: **Council of Secondary Education, Mohali ([www.csemohali.org](http://www.csemohali.org)), Jamia Urdu Aligarh ([www.jamiaurdualigarh.com](http://www.jamiaurdualigarh.com)), Grameen Mukta Vidhyalaya Shiksha Sansthan ([www.gmvss.ac.in](http://www.gmvss.ac.in)), Jharkhand State Open School ([www.jsos.ac.in](http://www.jsos.ac.in))** etc.

Now it is up to the students to decide from where they will pursue their course keeping in mind their personal, aspirational, professional, employment-related and educational requirements. They do have number of options under the sky like Central Govt. / State Govt./ Govt. equivalent boards and also purely autonomous Private Education Boards.
